

SurgeArrest Essential Surge Protectors

Professional-grade protection for notebook computers

PNOTEPROC6-EC

The PNOTEPROC6-EC and PNOTEPROC8-EC surge protectors are designed to provide state of the art surge protection to notebook computers and network / telephone datalines. Protect your expensive notebook computer against larger power surges and multiple surge events. Catastrophic event protection ensures your equipments' safety even if the surge components are damaged due to a power spike or over voltage. APC's 5 year product warranty guarantees customer peace of mind!

Basic Product Features

- Phone line surge protection
- Co-axial Video / Cable protection
- Catastrophic event protection
- Noise filtering reduces EMI/RFI line noise
- Working Protection LED notifies you when the unit needs a free replacement

PNOTEPROC8-EC

Protection

Lightning, surge and catastrophic event protection circuitry ensures surge and spike protection that is guaranteed for life. Reliable thermal fusing helps ensure safe operation under all conditions.

Noise filter reduces Electromagnetic Interference (EMI) and Radio Frequency Interference (RFI) to help avoid equipment lock-up.

Features and Specifications

MODEL	PNOTEPROC6-EC	PNOTEPROC8-EC
Voltage and Frequency	220, 230, 240 V; 50/60Hz +/- 5 Hz	120, 220, 230, 240 V; 50/60Hz +/- 5 Hz
Plug type	IEC 320 C6	
Surge energy rating (Joules)	615	210
Let Through Voltage Rating	<330 V	
# of outlets	1 IEC 320 C8 outlet	
Protection Wkg LED	Yes	
Data line protection	RJ-11 Modem/Fax protection (two wire single line), RJ45 10/100 Base-T Ethernet protection	RJ-11 Modem/Fax protection (two wire single line), RJ45 10/100 Base-T Ethernet protection
Product ships with	1.8 Meter Tel Cable (2), 30 cm Network Patch Cable, Cord Management Straps, User Manual	
UL Rating	700 V	
Safety Approvals	A-tick, CE, CSA, FCC Part 68, GS Mark, NOM, Telepermit, UL Listed, VDE
